MUNICIPAL COMMISSIONER'S NOTE

Subject No 10 of the Agenda for the Meeting of the Municipal Council held on 15-10-53

It is found necessary to equip the Davangere Water Works with Switch Gear Equipment since the existing ones are all worne out and are to be replaced by fresh ones

The Secretary Stores Purchase Committee obtained quotations on behalf of this Municipality from several Firms and has forwarded the quotations so obtained The quotations wer e sent to the Superintendent of power and Light Bhadravathi for examining the quotations and advice He has opined that the quotations of Associated Electriacl Industries for Rs 21,050/- F O.R. Madras conforms to the required specifications and may be accepted

The Municipal Engineer has reported that the above quotation may be accepted and the article arranged to purchased Further underground cables of different dimensions are required to the extent of 200 R Ft. separate quotations will have to be called for through S.P C Next comes the question of erection of the equipment, for which the Electrical Department will have to be requested either to do the work by the Department or to get it done through contractors under the Supervision of the Department

The cost of a suitable pump to pump increased quantity of water for which order has been placed but awaiting receipt of Import permit will come to Rs.6,000/-

The pump house has also to be extended suitably to house the extra machinery

The toal cost of the above equipment and improvements will be roughly Rs 50,000/-

The Government will be requested to consider if the extra cost of Rs.50,000/- may be charged to 15 40 lakhs estimate for he laying of 16" C I main pdpe line from Harihar to Davangere

K Narasimhaiengar
Municipal Commissioner,
Davangere City Municipality.
